

BUT I'M BESSIE SMITH, THE EMPRESS OF THE BLUES.

But we don't serve Negroes in here.

But I'm Bessie Smith, the Empress of the Blues.

But we don't serve Negroes in here.

But I'm Bessie Smith, the Empress of the Blues.

But we don't serve you-niggers in here. But I didn't ask for no

you-nigger, lady. And I don't plan to order no you-nigger
neither. Let's see, gimme some French fried hot French fries,
a cheeseburger and a soda fountain cherry Coca-Cola. Yes ma'am,
and I want to drink my cherry Coke with a White People Only
white straw, ready and raw like you-white people do. A hotdog
too, all the way, mustard, onions, and chili. Fix me up a few, lady.
